

activevoice.bz – a lifestyle of learning

MISSION STATEMENT:

(How we intend to win in this business)

**To be the Nike, Coke and Starbucks of
Social Business Ventures,**

**raising money and collecting donations
by 'outside-the-box' ways
so we can creatively get more with less resources,**

**thriving on sustainable funding
by giving our English language learners
ultimate and unyielding support
so they stick with us for the long haul,**

**being a compassionate association
by positioning our Association Members in roles
where their service is rendered with joy
so they can be the best they can be with AV,**

**all for
spreading the love world wide**

**by making financial, social and educational
contributions**

**so teachers & learners in dire need of assistance
can make their lives better
and make their communities better too.**
